The tax, spending and administrative decisions made by state and local government officials have a tremendous impact on AFSCME members. Every AFSCME member needs to be involved personally in the political process as citizens and taxpayers.

Each of the endorsed candidates that are listed have been interviewed by the Arizona AFSCME PEOPLE Conference, the Area Labor Federations, or the Arizona AFL-CIO and have committed to support and promote issues important to public employees, working families and retirees. The ballot issues were analyzed and the recommendations listed were approved by your elected executive boards. We ask that you give them strong consideration when you cast your vote on November 2, 2010.
